## soJourn

At the core of who God created us to be, we long for authentic relationships with others - *to know and be known.*

**IN 2011**, the Sojourn High School Ministry will provide a forum for students to develop authentic relationships with one another as well as with non-parent adult leaders. Each Sunday (*except for the 2nd Sunday*) following the main service, students and leaders will depart from the youth room to enjoy lunch together. After lunch, everyone will be “hanging out” at Jeff Evans’ house (*and possibly other locations as the year unfolds*) discussing hot topics, current achievements and struggles, and other areas of interest, with an emphasis on laughing hard and enjoying one another’s company in a directed, Christ-centered, laid-back atmosphere. Students will be returned to the church to be picked up at 2 pm.

**IN ADDITION** to the consistent core meetings on Sunday afternoons, there will be informal activities planned throughout the year, such as student performances, local events, game nights, concerts, etc.

**IN A WORLD** full of what you see is not what you get, authenticity is not only valued, but creates unique opportunities to point people to Jesus Christ.

May this ministry provide new and exciting avenues for students to both experience, and demonstrate to others, the deep satisfaction of authentic relationships.
