6-8 pm.

BLAST Room (Building A behind the main building)

What is the purpose of this meeting?

To provide information and answer questions about the Genesis Change Groups and
To provide the foundation for the rest of the meetings.

What should I expect?

- ❶ An Overview and Course Description
- ❷ Answers to Your Questions
- ❸ Interview with a Facilitator – so we can create groups that will be most beneficial to all the members
- ❹ First Meeting Assignment
- ❺ Registration Fee collected: \$25

Why is this meeting mandatory?

If you are going to be in a GCG, you **MUST** attend this meeting. Our time together lays the foundation for all the work we will be doing. Our experience shows that the meeting gives a shared experience of starting on this journey together as each person understands what to expect. Perhaps even more important: personal connections begin to form which are so important in the groups. Our experience also shows that those who miss the meeting feel disconnected to the other people, don't have a clear picture of what to expect and have a greater tendency to drop out.

So do whatever it takes to make it to this meeting!
