

Story Core Question list: Love Stories

Please use this list of topics/questions as aid in getting you thinking about your love story. You may choose several questions to answer, or perhaps just one.

Thank you for sharing a part of your story, and encouraging others in their relationships.

ID Question: "Can you tell me your name, age, the date and where we are?"

- How did you meet your husband/wife/dating partner?
- What drew you to him/her?
- How did you know he/she was the one for you?
- Talk about one of the happiest moments for you in the relationship?
- What do you love most about him/her?
- What do you like best about your relationship?
- What advice do you have for young couples?
- Do you have any favorite stories from your marriage or about your husband/wife?
- Share one of the most romantic moments you've had together.
- What has been the most challenging time/moment? Tell a story.
- What do you think makes for a successful relationship?
